FACTS ABOUT THE UNIVERSITY

LOCATION

Gainesville is located in north-central Florida, about equi-distant—60 miles—from the Atlantic Ocean and the Gulf of Mexico. It is 72 miles southwest of Jacksonville, 120 miles northwest of Orlando and 150 miles southeast of Tallahassee, capital of Florida.

HISTORICAL STATEMENT

In 1853 the foundation work of the present University of Florida was laid in Ocala when a small private school, East Florida Independent Institute, was opened. Florida Agricultural College was established at Lake City in 1883, and by 1905 six colleges were at least in part state supported. With the passage of the Buckman Act in 1905, the University of Florida was established at Gainesville. There have been five presidents: Dr. Andrew Sledd (1905-09), Dr. Albert A. Murphree (1909-28), Dr. John J. Tigert (1928-47), Dr. J. Hillis Miller (1947-53), and Dr. J. Wayne Reitz (1955-).

COLLEGES

The University's colleges are: Agriculture, Architecture and Fine Arts, Arts and Sciences, Business Administration, Education, Engineering, Law, Medicine, Health Related Service, Nursing, Pharmacy, Physical Education and Health, and University College. GENERAL INFORMATION

The University of Florida is the largest land-grant institution in the South with a faculty of 2,000 and a student body of more than 13,000. Extensive building and modernization in the last ten years has resulted in a physical plant valued at approximately 85 million dollars.

In addition to numerous special research projects in the various schools and departments, the University has established a number of independent laboratories. These agencies carry on continuous basic research in the fields of engineering, nuclear physics, agriculture, forestry, business, economics, public administration, communications, and statistics, making significant contributions to private industry and government research.

A broad program in Medical education research and patient care is being carried out in the University's newest and finest facility at the J. Hillis Miller Health Center. Encompassing the Colleges of Medicine, Nursing, Pharmacy and Health Related Services, the Health Center is housed in a 17 million dollar facility.

Radio Broadcasts

Out-of-state stations must notify the Athletic Association of the visiting school (Clemson, F.S.U., L.S.U., Miami) of their intent to broadcast. Having done this, stations should advise Jimmy Gay, Florida Sports Publicity, so he may assign a radio booth and issue tickets. An official letter from the visiting team, designating the station as a representative, must accompany the request. If desired, spotters will be provided at a cost to the station of \$10.00 per spotter. Arrangements for the broadcasting telephone line to the stadium must be made by the station with the telephone company or A. T. & T.

RAY GRAVES

RAY GRAVES

Director of Athletics and Head Football Coach

In just one year Ray Graves has led the Florida Gators to their finest record in history (nine victories and two defeats); guided the Gators to their highest ranking in the Southeastern Conference (one-half game out of first place); sent them to a bowl game (13-12 victory over Baylor in the Gator Bowl); and saw his players lavished with honors.

Coach Graves himself was highly recognized for the work he did. He was named Coach of the Year in the Southeastern Conference, and was the District nominee for Coach of the Year in the nation. The Orlando Sentinel paid him praise by naming him Man of the Year in Florida.

Success is an old companion of the Florida head football coach and Director of Athletics.

Graves was a star player (a center) in high school, college and in professional football. He claimed the respect and admiration of his fellow players by being named captain of every team from high school to professional ranks on which he played at least one year.

Graves was a successful assistant coach. He has the unusual record of having seen 13 players who were directly in his charge become All Americans. One of these was at Tennessee and 12 were at Georgia Tech.

His bowl record as a player and coach is probably unmatched by anyone in the country over a comparable period of time. As a player at the University of Tennessee in 1939, 1940 and 1941, he took part in the Orange, Sugar and Rose Bowl games. As a coach at Tennessee and Georgia Tech, he helped guide teams that played in the Orange Bowl twice, Sugar Bowl three times, Gator Bowl twice, and the Cotton and Rose Bowl once each. Now add the Gator Bowl at Florida.

Born in Knoxville, Tenn. on December 31, 1918, Ray Graves was graduated from Knoxville Central High in 1937. After a year at Tennessee Wesleyan Junior College, he entered the University of Tennessee and played basketball and football with the Vols. He was captain of the Vols' 1941 football team.

After receiving his AB degree in 1942, he played with the Philadelphia Eagles professional football team. Following two years of professional ball (the second year of which he was team captain), Graves returned to Tennessee in 1944 for a two-year stay as line coach. He rejoined the Eagles as a coach and scout in 1946 and then was appointed as an assistant coach to Bobby Dodd at Georgia Tech.

From the day he joined the Georgia Tech staff in 1947, Graves' position continued to grow in importance. In two platoon days of collegiate football, he was defensive coach. Dodd early recognized his promising ability in other areas and steadily increased his duties to the point where he was in charge of both the offense and defense of the mighty Yellow Jackets. Bobby Dodd paid him the ultimate

compliment available to an assistant by naming him "Assistant Head Coach" in 1957.

The Man

University of Florida President J. Wayne Reitz, summed up the feeling of many about Ray Graves, when he said on announcing his appointment: "We have found him (Graves) to be a person of fine character and a man interested in furthering the objectives of the University as a whole."

He is a man who loves the out-of-doors. Happiest perhaps directing strategy of his team on the football field, he nevertheless finds the fish a genial adversary. He's quick to accept a challenge to a tennis match, and won't duck a rough and tumble pickup game of basketball.

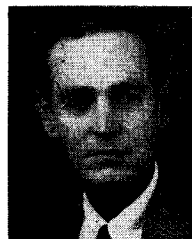

Ray married the former Opal Richardson of Tazewell, Tenn. on November 3, 1942, and they are the parents of three lovely daughters, Rebecca Ann, 17, Katherine Gibbs, 14, and Elizabeth Greer, 11.

Before entering Auburn he had seen only one organized athletic event. Once in college, however, Beard became interested in track and was to excel at Auburn. In his final two years at Auburn, the 6-4, 170 pounder lost only two dual meet races. His specialty was the hurdles and he became one of Auburn's greatest. In 1934 Beard held world records for the 110-meter high hurdles, 120-yard high hurdles, the 70-yard indoor, the 60-yard indoor and the 65-meter indoor high hurdles. He has been track coach at Florida since 1936, during which time his squads have compiled a record that rates with the best in the country. Coach Beard was selected to be one of the coaches of the United States team in the Pan-American Games and is a member of the Olympic Track and Field Committee.

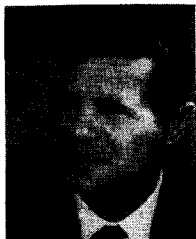

HOBART HOOSER

Administrative Assistant Athletic Director

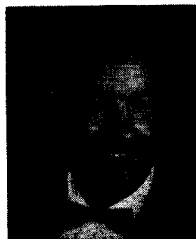

Hobart (Hobe) Hooser was born at Haley, Tenn., and was graduated from the University of Tennessee with a Bachelor of Science degree in Education in 1928. He earned a Master of Arts degree from Peabody in 1942. As a player with the Vols (1925-7), the team won 22, lost 2 and tied 2. He was head coach at Johnson City, Tenn., for two years, then guided Lake City, Fla., for eleven years, his teams winning 73, losing 30 and tying 7. He returned to Tennessee as line coach under John Barnhill in 1942. After three years in the Navy, Hooser became football line coach and head track coach at Arkansas for four years. The Razorbacks were conference champions and tied LSU in the Cotton Bowl that first season (1946). He joined the Florida staff in 1950, assisting Bob Woodruff as defensive line coach, before moving up to his present post under Ray Graves. He is married to the former Gertrude Morgan of Richard City, Tenn.

COACH JACK GREEN

Jack Green began his college playing career by making the Tulane varsity team as a freshman in 1942. He was an All-State high schooler. The 36-year old Green moved to West Point following his freshman season at Tulane and won All-American selection as a guard on the great Army teams of 1944 and 1945. He captained the Cadets during his senior year. Following his playing career, he remained as an assistant to Col. Earl Blaik at the Military Academy. While in service, Green rose to the rank of Captain. He was mentioned as a possible successor to the Colonel when he retired as head coach at Army in 1958. Green came to Florida in 1960, helping guide the Gators to a 9-2 record, including a Gator Bowl victory over Baylor. He was line coach at Tulane from 1954 to 1960. Coach and Mrs. Green (Jean) have two sons and a daughter.

COACH PEPPER RODGERS

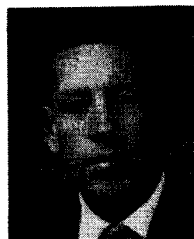

Franklin C. (Pepper) Rodgers, a native of Atlanta, joined the University of Florida staff in 1960 after two highly successful seasons at the Air Force Academy. He was a star quarterback at Georgia Tech during his varsity career, 1951 to 1953. During this time the personable Rodgers led the Yellow Jackets to wins in the Orange Bowl (1952) and Sugar Bowl (1953 and 1954). He was selected the game's Most Valuable Player in the 1954 Sugar Bowl. At Tech, he compiled a record of 60 per cent pass completions in one year, kicked 19 consecutive extra points, and kicked five field goals in one year. In two Sugar Bowl games, Rodgers threw four touchdown passes (three in one game) and kicked two field goals. He also has the distinction of kicking a field goal in every bowl game he participated in as a player. His Air Force Academy team went to the Cotton Bowl. Rodgers spent four years as a pilot in the Air Force during which time he was a player-coach with Hamilton (Calif.) Air Force Base for two years. Hamilton went to service bowls both those years. Coach and Mrs. Rodgers (Judy) have three children, Ricky 7, Terri 6, and Kyle 3.

COACH GENE ELLENSON

Gene Ellenson came to the University of Florida in 1960 from the University of Miami where he served as defensive line coach. At Miami, the high point of his six-year tenure came in 1956 when the Hurricanes were first in the nation on defense. Born in Chippewa, Wisconsin, the 39-year-old Ellenson is a graduate of the University of Georgia where he was a standout tackle. He played on the Bulldog teams that went to the Orange Bowl in 1942 and the Rose Bowl in 1943. Ellenson went on to play professional football before becoming an assistant coach at his alma mater, Miami Senior High School, where he won All-State honor. During World War II, Ellenson was a commissioned officer and was decorated with the Silver Star, Bronze Star, and Purple Heart while participating in four major battle campaigns, including the Battle of the Bulge. Coach and Mrs. Ellenson (Jeanne) have two children, Donna, 9, and Mark, 4.

COACH JIM POWELL

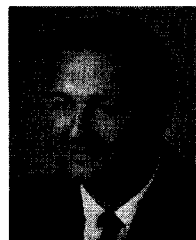

Jim Powell joined the Florida coaching staff as a freshman coach in 1958 and moved up to varsity assistant coach under head coach Ray Graves. A former All-American and All-Southeastern Conference end at the University of Tennessee, he came to Florida from Miami Edison High School, where he coached the Red Raiders to an undefeated season and the state championship in 1957. Powell enrolled at Tennessee in 1942 and played on the varsity as a freshman. From 1943 to 1946 he served in the Air Force as a B-25 pilot and found time to play service ball for Amarillo and Maxwell Field Air Bases. He returned to Tennessee and played football from 1946 through 1948, serving as captain in his senior year. He led the nation in pass receiving in 1948 and still holds the record (10) for the number of individual pass receptions in one game. His first coaching job was in 1949 at Sullivan High School, Kingsport, Tenn., and in 1950 he joined the staff of his former high school coach Ed Parnell, as end coach at Edison. He was named head coach at Edison in 1956. Powell is married and has one daughter, Jane, aged 16.

COACH JOHN DONALDSON

John Donaldson was born at Jesup, Georgia, and did his undergraduate work at the University of Georgia, graduating with a degree in physical education in 1949. At Georgia, he was named the Southeastern Conference's most valuable freshman as a right halfback and was second in SEC scoring while a member of Georgia's last undefeated football team (1946). Donaldson also played a year of service ball (1944) with the Jacksonville Naval Air Station team and played professional football with the old Chicago Hornets. Before joining the University of Florida staff in 1960, Donaldson was football coach at Wayne County High, Jesup, Ga., where in his eight-year tenure his teams ran up a record of 63 wins, 15 losses and two ties. His team won two Georgia State Class AA championships and compiled an enviable 22 victories against large Class AA schools. He is married to the former Ann Coppelman of Jessup, Ga.

COACH JOHN EIBNER

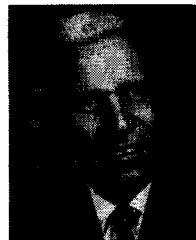

John Eibner joined the Gator staff in 1950. He is a graduate of the University of Kentucky, majoring in history and political science. In 1939 and 1940 he won honors as an All-Southeastern Conference tackle and also captained the Wildcats in his senior year. In 1941 and 1942, he played professional football for the Philadelphia Eagles of the National Football League. His coach was the much heralded Earle "Greasy" Neale. His pro career was cut short when he entered the United States Navy. Here he served three years which included sea duty in the South Pacific and Far East as a Gunnery Officer. After discharge from the Navy, Eibner rejoined the Eagles in 1946. In 1947 he coached all sports at Prestonsburg, Ky., then joined forces with Andy Gustafson as a line coach when Gustafson was named to the Miami head coaching position. Since 1950, Eibner has been an assistant coach at Florida and also holds the title of head scout. He assists Col. Yon in the Gator Boosters office during the summer months. His hobbies include fishing, golf and collecting antiques. He is married to the former Katie Oakley of Mt. Sterling, Ky.

COACH JIMMY DUNN

A native of Tampa, Jimmy Dunn begins his second year as a varsity assistant on Ray Graves staff. At 140 pounds, Dunn was known as the smallest starting quarterback on a major college team in the nation during his career here at the university. Top performances became standard procedure for Jimmy as a Fighting Gator. Some of those high points were his leading the Gators to a 20 to 0 win over Auburn in 1956 as a sophomore; leading the Gators into the Gator Bowl against Mississippi in 1958, a season when he personally tallied 26 points (high for the team), helping Florida win over well-regarded UCLA; and personally leading the Gators to a hard fought 7-6 win over Georgia with a 76-yard touchdown run. Jimmy became a student assistant coach before assuming full assistant rating in 1960. Coach and Mrs. Dunn (Eleanor) have two daughters, Melanie, aged 20 months, and Jana Lee, 7 months.

He spent two seasons as Florida's backfield coach under Bear Wolf in 1948 and 1949. During World War II Dupree served five years as an officer, seeing action with Gen. Patton's famed Third Army in Europe, and received four battle stars and the Bronze Star. A native of Sylvester, Ga., he is married to the former Alda DuPriest of Sylvester. Their daughter, Barbara, one of the leading tennis players in the South, will graduate from the University of Georgia next December.

COACH DAVE FULLER

Dave Fuller was born at Wake Forest, N. C., and received a degree in education from Wake Forest in 1940. He played three years of football, three years of basketball and three years of baseball for Wake Forest. He coached all three sports at Hertford (N. C.) High School before entering the Navy for a four-year tour of duty. CAPTAIN JIM BEAVER

One of the outstanding tackles in the Southeastern Conference last year, Jim Beaver will captain the 1961 Fighting Gators. Beaver made the AP All-SEC third team, and numerous All-Opponent teams in 1960 while winning his second letter as a Gator regular. A native of West Palm Beach, Jim is 6-1, weighs 230 and is majoring in Busi-

ENDS

RUSS BROWN . . . Sophomore . . . Miami . . . Age 19 . . . 6-2, 195 . . . An outstanding first-year prospect. A starter on last year's Freshman team, he moved up to the number two left end spot in Spring practice. Russ is the third Brown brother to play end for Florida and has the potential to surpass the offensive performances of his brothers, Don and Ray. Strictly an offensive player while making All-State at Miami Edison, he has learned the defensive game rapidly and should be one of the most outstanding ends in the conference before he completes his football career at Florida.

BILLY CASH

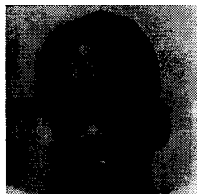

Junior . . . Tallahassee . . . Age 19 . . . 6-1, 190 . . . (Nickname: 'The Toe') . . . One of Florida's most valuable players last season although he saw limited action. Billy was the second leading scorer with 8 extra points and four field goals. His 35-yard three-pointer beat Florida State 3-0. A 42-yard field goal aided the Gator cause in an 18-17 win over Georgia Tech. Billy's 47-yard kick against LSU, in a 13-10 win for Florida, was the longest collegiate field goal of the 1960

season. (When this brochure went to press Cash was on probation. Since his case was to be reviewed at a later date and it is possible he would be eligible to play this fall, his biography is included.)

HENRY FARMER . . . Senior . . . Atlanta, Ga. . . Age 21 . . . 6-3, 190 . . . (Nickname: 'Benny') . . . A non-letterman . . . Saw a little action last season. Showed up well in Spring practice. A capable performer, offensively and defensively . . . Can be counted on for reserve strength in 1961.

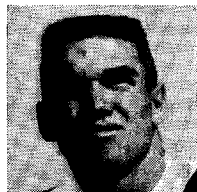

ness Administration. Beaver was named to the second team in the Birmingham News pre-season poll of SEC coaches. He was drafted by the Philadelphia Eagles at the end of the 1960 season, but chose to finish his final year at Florida before considering professional ball. In the short time since his selection as team captain, Beaver has proven to be a real leader, winning the respect of teammates and coaches alike.

TOM GREGORY

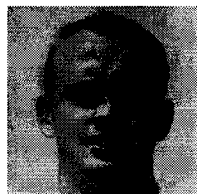

Junior . . . Griffin, Ga. . . Age 21 . . . 6-2, 190 . . . Lettered last season with 84 minutes of playing time. Will battle another junior, Sam Holland, for the starting job at right end. Caught two passes for 20 yards last year. A hardnosed defender who doesn't mind taking a bruise or two to make a tackle.

SAM HOLLAND

Junior . . . Key West . . . Age 19 . . . 6-1, 190 . . . (Nickname: Conch). Worked his way up from the fourth to the first team last year and played 186 minutes, more than any returning end. Caught only one pass in '60, but improved as a receiver during Spring practice. Outstanding on defense, particularly in covering punts, and one of the surest blockers on the squad.

TOMMY KELLEY

Junior . . . Birmingham, Ala. . . Age 20 . . . 6-0, 190 . . . Although he caught only two passes last season, his defensive play was enough to win him a place on the All-Southeastern Conference sophomore team . . . Earned a reputation as a wildman on defense, consistently coming up with plays costing the opposition big yardage. Recovered two fumbles . . . Should be one of the best defensive flankers in the SEC this season.

TOM SMITH

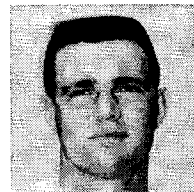

Senior . . . Atlanta, Ga. . . Age 22 . . . 6-2, 193 . . . (Nickname: Gorilla). A two-letterman, Smith was the number-one left end last year, but an injury in the LSU game put him out of action until the Gator Bowl game. Played 185 minutes in six games and caught three passes for 63 yards. Regained his first team spot in Spring practice and should be there when the action starts in September.

TACKLES

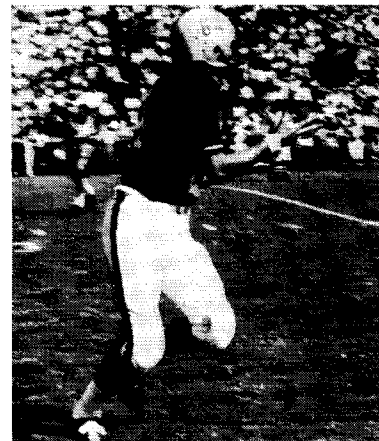

CAPTAIN JIM BEAVER (See Page 26)

FLOYD DEAN

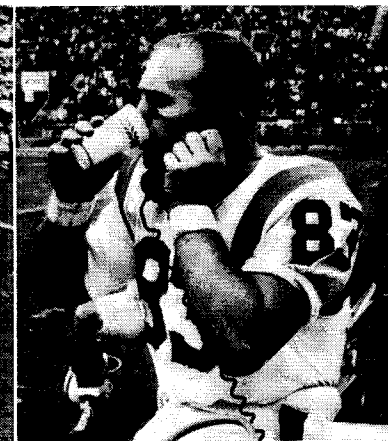

Junior . . . Eagle Lake . . . Age 20 . . . 6-4, 240 . . . (Nicknames: Big 'Un, Sealtest) . . . Replaces Ronnie Slack as the Gators' muscle man and inherits Slack's starting left tackle position. 1961 should be Dean's year to prove his potential . . . He improved with each game last season, playing 87 minutes for a letter . . . Brute strength makes him hard to get along with on defense . . . Saw action for only two plays in last year's Gator Bowl game, but threw a Baylor ball carrier for sizeable losses on both plays . . . Surprising speed makes Dean even more valuable as a lineman . . . Can outrun many of the backs.

L. E. HICKS . . . Senior . . . Tampa . . . Age 21 . . . 6-3, 230 . . . (Nickname: Louie) . . . A non-letterman . . . Slated for second team action behind Floyd Dean . . . Considered a much improved player by the coaching staff after Spring practice . . . Aggressive defender and good blocker.

A PAUSE—All-SEC Sophomore end, Tommy Kelley, takes a breather and talks to the brains upstairs in the Gator Bowl game. (Times-Union Photo.)

DICK JONES . . . Junior . . . Gainesville . . . Age 19 . . . 6-2, 220 . . .
Non-letterman . . . Shifted from center to tackle in Spring practice and adapted well to the new position . . . Has recovered from a knee injury which plagued him the last three years and should be ready to provide team depth at tackle . . . B-plus student in pre-Medicine.

ANTON PETERS . . . Junior . . . Tampa . . . Age 20 . . . 6-4, 228 . . .
Non-letterman . . . Played nine minutes last year . . . A starter on the 1959 Freshman team, he's strong and fast and should figure in the Gator tackle picture in 1961 . . . Was the third team right tackle at the end of Spring practice.

FRED PEARSON . . . Sophomore . . . Ocala . . . Age 19 . . . 6-2, 225 . . .
Experience is the only thing Pearson lacks and he should get that this season . . . Up from the 1960 Freshman squad, he took over the number three left tackle position during the Spring workouts . . . Should develop into a dependable tackle this year.

GUARDS

BOB COOK . . . Sophomore . . . Bunnell . . . Age 19 . . . 6-1, 210 . . .
Made a good showing in the Spring and could move up from the fourth team to figure in the varsity guard action this fall . . . Quick, good defensive reaction.

WADE ENTZMINGER . . . Junior . . . Tampa . . . Age 19 . . . 5-10, 188 . . .
Has shown promise . . . Played 13 minutes last fall and should see more action this year. Fast and a good downfield blocker . . . Was the number three left guard at the close of Spring practice.

CHARLIE GILL

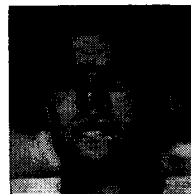

Junior . . . Miami . . . Age 20 . . . 6-0, 205 . . .
(Nickname: Cheeks) . . . Lettered last year with 56 minutes, but played only five minutes on offense . . . Dependable on defense and if improves offensively, will be a big factor in bolstering the middle of the line . . . A Marine Corps veteran and a tough competitor . . . Listed as number three right guard.

JEROME JONES . . . Sophomore . . . Jacksonville . . . Age 20 . . . 6-0, 204 . . .
Started for the 1959 Freshmen and sat out last season behind more experienced men . . . Strong and aggressive on defense . . . If he plays up to his potential he could easily move into contention for a top varsity assignment.

JOHN OLIVA . . . Sophomore . . . Tampa . . . Age 19 . . . 6-1, 220 . . .
A converted tackle . . . Started on last year's Freshman team . . . Switched to guard this Spring and worked up to number two spot on the right side . . . Fast and strong . . . Will be counted on heavily this fall.

JACK THOMPSON . . . Sophomore . . . Savannah, Ga. . . Age 19 . . . 5-9, 180 . . .
(Nickname: The Stump) . . . A starter on last year's Freshman team, Thompson took over as the first team left guard when letterman Gerald Stephens was injured in Spring practice . . . "Stump" missed the last three weeks of Spring work with a knee injury, but figures to be on the first team when fall practice starts . . . A fast, sure downfield blocker and a scrapper on defense . . . Surprisingly strong for his size.

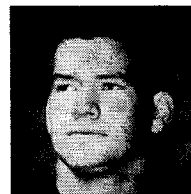

LARRY TRAVIS

Junior . . . Miami . . . Age 20 . . . 6-0, 205 . . .
The first team right guard . . . Started last season until a shoulder injury forced him into part time duty . . . An operation this spring corrected the ailment and he'll be ready for action in September . . . One of the best blockers on the squad and a good middle-of-the-line defender . . . Recovered a fumble for a touchdown in the Gator Bowl game . . . Darkhorse candidate for regional honors.

CENTERS

BRUCE CULPEPPER

Junior . . . Tallahassee . . . Age 19 . . . 6-1, 225 . . .
Lettered as a sophomore last season with 141 minutes of play . . . Will be the number one man in the middle position this fall . . . A sure blocker and rugged linebacker . . . Potentially one of the best centers to hit the Florida football field in several years . . . Will be the Gators' kickoff man and may be counted on for field goal and extra point duty.

JOHN DENT . . . Sophomore . . . Tampa . . . Age 19 . . . 6-2, 215 . . .
A tackle and linebacker for the Freshmen last year . . . High School All-America linebacker in 1959 . . . Finished Spring practice as the second team center.

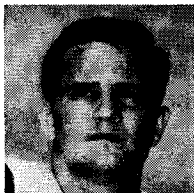

EDDIE DUNN . . . Junior . . . Daytona Beach . . . Age 21 . . . 5-9, 190 . . .
Non-letterman . . . Improved Spring performance put him in contention for a varsity berth . . . Best man on snaps and will see action on field goals and extra points . . . Dependable blocker and linebacker.

QUARTERBACKS

TOM BATTEN . . . Junior . . . Miami . . . Age 20 . . . 5-11, 158 . . .

LARRY LIBERTORE

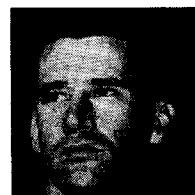

Junior . . . Miami . . . Age 21 . . . 5-8, 138 . . .

LAST YEAR'S GAME—Did not play

TIGER OUTLOOK

Coach Frank Howard is depending on 25 lettermen and some highly-regarded sophomores to pull his Clemson Tigers back to the top in the Atlantic Coast Conference race in 1961. "We recorded a 6-4 record last year," Howard observes, "and this might be pretty good for some people, but that's not good enough for these Clemson followers. They like an 8-2, or 9-1 or 10-0 with a bowl bid tacked on the end."

Of the seven positions on the team, quarterback has the least experience of any. Joe Anderson is the only returnee with any varsity action behind him. Behind Anderson are all sophomores.

Just prior to the opening of a late spring practice Howard had seven seniors, three juniors and one sophomore on his starting unit. These included Gary Barnes and Tommy King at ends, Jimmy King and Dave Hynes at tackles, Calvin West and Tommy Gue at guards, Ron Andreo at center, Anderson at quarterback, Bill Miller and Wendall Black at halfbacks and Bill McGuirt at fullback. Miller is the sophomore, Hynes, Anderson and McGuirt the juniors and the rest are seniors.

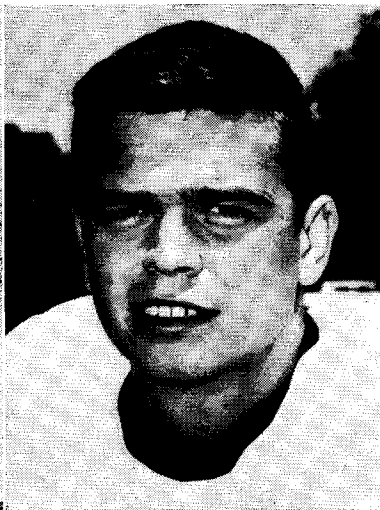

Other than Miller other sophomores who appear headed for some duty this fall are centers Bill White and Ted Bunton; guards Billy Weaver, Clark Gaston, Tracy Childers, Jack Aaron and Walter Cox; promising tackles are Vic Aliffi, Charlie Evans, Joe Balles and Bob Koch; while the ends have Bob Poole, Lou Fogle and Dave Brown.

At quarterback sophomores fighting for position are Tommy Black, Jim Parker and Mac Renwick. Bob Bonnett, Mickey Blancett, Jerry Taylor and Jim Skiffey back Miller while Jimmy Howard and Bob Fritz are trying to break past Bill McGuirt and Ron Scrudato at fullback.

The Tigers lost only seven lettermen from the '60 squad. Three of these (quarterback Lowndes Shingler, guard Dave Lynn and end Sam Anderson) were on the first team and one (guard Dave Olson) was a member of the alternate unit. The remaining three were not on the first 33.

SEMINOLE OUTLOOK

Florida State's 1961 football team, Coach Bill Peterson's second Seminole edition since he came from LSU, will place more than ordinary emphasis on the passing game.

There is little doubt about this, both in the minds of Peterson and spring-practice railbirds who saw the Seminoles fill the air with footballs. Peterson's first FSU team threw 200 passes, an average of 20 a game. Despite a critical shortage of experienced ends, Peterson indicates the '61 Seminoles will throw even more frequently.

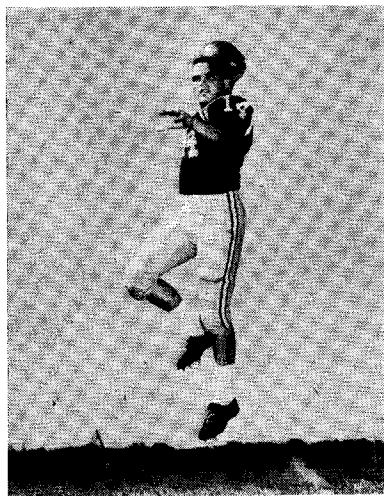

This is no diagnosis out of desperation. A pleasant situation that finds FSU well stocked with experience and arms at quarterback, coupled with an apparent shortage of halfback running talent, calls for the passing prescription.

The Seminoles face an even greater schedule challenge this year than last, when FSU lost three games by a total margin of six points and finished 3-6-1. If the Seminoles can survive the first month of the schedule—an opener with George Washington and then games with Florida, Mississippi, and Georgia on successive Saturdays—Peterson feels better things are ahead. Not that the rest of the 1961 card—Richmond, Virginia Tech, Kentucky, The Citadel, Mississippi Southern, and Houston—will be easy.

Peterson plans no major alterations in FSU's "flexible T" offense, an attack that combines features of the winged T and professional-type maneuvers.

Twenty-two lettermen return, 21 from last year's hard-luck team. Guard Frank DeFrancesce, a 1959 letterman, is back after a year's absence.

Leading returnees are end Fred Grimes, tackles Steve Klesius and Don Donatelli, guard Gene McDowell, quarterbacks Eddie Feely and Ed Trancygier, and halfbacks Tom Hillabrand and Happy Fick.

GREEN WAVE OUTLOOK

With 18 lettermen returning, including three regulars and ten of the second unit, Tulane appears in position to provide argument to every opponent on its formidable schedule. Although perhaps not S.E.C. championship contenders, the Greenies apparently are not far from the fringe of that group.

"We feel we definitely should be improved," says Head Coach Andy Pilney. "There is more experience and depth at every position except quarterback and halfback. With the kind of schedule we play,

I can't guess what our won-lost record might be, but we do hope to have a more solid and versatile team and to keep things interesting.

"One of our biggest problems will be filling the shoes of some fine seniors who will graduate this year. It will be impossible to come up with another Tommy Mason, and equally as hard to fill the shoes of Phil Nugent, Bernard Darre and Joe LeSage—all four were drafted by pro teams—but we feel that we have the best group of sophomores we've had in some time and enough squadmen and lettermen back to field a fairly potent club.

"All in all, this is the most promising squad we have had in some time because we have better depth and more size. Their spirit and determination are high and we have every reason to expect we will be proud of them."

Top performers should be guard Gus Gonzales, center John Chaisson, tackle Larry Thompson and halfback Gordon Rush.

OWL OUTLOOK

Rice could be a very fine team. The Owls will have call on 21 lettermen from the excellent 1960 club that made a fine showing in the Sugar Bowl and tied for second in the SWC.

The Owls have many points going for them to be one of the better college teams in the U.S.A. in '61 with call on a quite substantial crop of experienced players who did well in a rugged and successful campaign; a squad of players who are big and rangy, possibly more so than any Rice team ever has been; a sound and experienced coaching staff; a pair of talented performers at the vital post of quarterback who have been seasoned in game action; good size and depth at the important positions of tackle and fullback; prospects of a

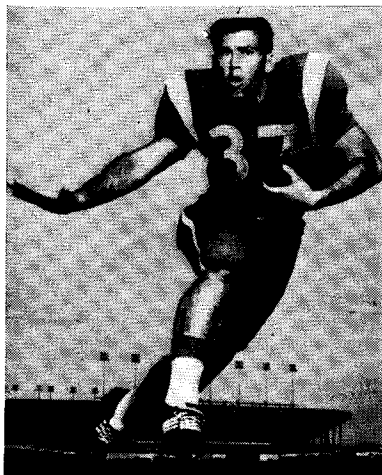

balanced attack with good passers and receivers, supported by several very able running backs; many veterans from the club that was one of the nation's best defensively last fall.

As to the Owl Club itself, the center and end positions are the ones of initial concern. There are no lettermen at center. Dan Malin, ineligible via the transfer rule, will be the starter and he did very well in spring drills. But he has to prove himself in game action, and experience at the position is nil. Few, if any, teams will have a better pair of starting ends than the Owls' all-SWC Johnny Burrell and tough Gene Raesz. But their principal subs in '59 letterman Ronny Schultz and squadman Tommy Rees saw only brief duty last fall. The sophs at end made excellent progress in the spring, but need more work to be fully ready.

On the bright side, Rice has a splendid "Gold Crowd" as the first team is called (they wear gold jerseys in workouts, quite appropriately in this Golden Anniversary season) with able and experienced reserves at all spots except end and center.

Punting, kickoffs, and point kicking will be emphasized in the fall and should be strong. Roland Jackson, Bob Wayt, and Dale Baker all are good punters, while Butch Blume figures to be the top man for placekicking duties.

Neely, fielding his 22nd Rice team as all-time dean of SWC head coaches, will have the conventional T as his offense while making use of flankers, split ends, etc. for a diversified and balanced attack.

COMMODORE OUTLOOK

Vanderbilt football is stronger for 1961 than for '60, possibly strong enough to rebound to the top half of the rugged Southeastern Conference, a position they held steadily in 1957-8-9, after moving up into that class with a surprisingly good 1955 team.

Twenty-four Commodore lettermen return in September, the largest number since 1954 when the squad which became the surprise of '55, with an 8-3 record, including the Gator Bowl championship, was building.

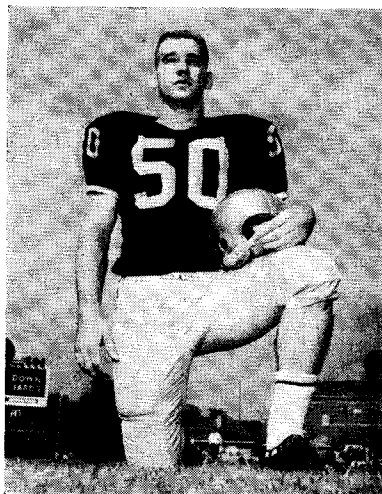

The 24 returning lettermen include 16 who have started sometime during the past two seasons. They are: Ends Bruce Hammer, George

Smith, Wade Butcher and Dan Boone (who missed '60 with a knee injury); Tackles Bill Corbin and Mike Reese (middle guard alternates in '60); Guards John Cropp and George McGugin; Center Cody Binkley; HB's Ed Creagh, Thom Garden, Charley Funk, and Terrell Dye; FB's Jim Johnson and Billy Crawford; and QB Hank Lesesne.

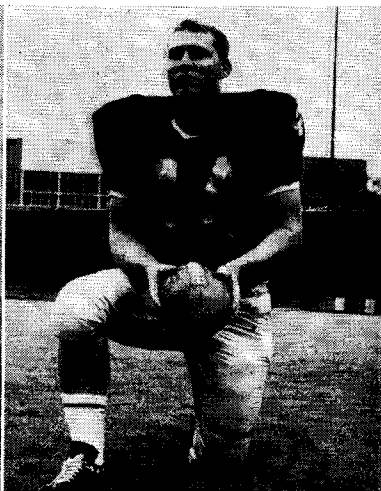

Lesesne (pronounced Le Sane) came out for Vanderbilt football without benefit of the SEC grant-in-aid. Coach Guepe planned originally to use him as a punting specialist. But Hank progressed so fast last year that when Morris was slowed by a knee injury he won the starting job at quarterback.

Hammer, whose nickname, naturally, is Mike, was the first of Vandy's 1960 sophs to win a starting job. Johnson is the hardest-running back at Vandy since Tom Moore. Last year he gained 312 rushing at 4.1 yards per clip, plus another 110 yards on 8 pass catches, which is 13.8 per catch.

Binkley is the most durable center in the SEC, and one of the most capable. He started all ten games as a Soph and again as a Junior, averaging 48:43 for the '59 and '60 seasons. Cody participated in over 200 tackles (121 main tackles and 83 assists) during his two varsity seasons, and he makes a specialty of blocking extra point attempts.

TIGER OUTLOOK

A victim of four close defeats in 1960, Louisiana State enters the 1961 season with more experience, and firepower, than the Tigers owned a year ago.

It was a young, hustling Tiger team, braced by an iron-tough defense, that compiled a 5-4-1 record last season, losing four by a total of 14 points.

The sophomores who excited LSU fans last year are back ready for a better performance. However, the key men from that rugged defense are missing. And among the major objectives of the 1961 spring drills will be to find replacements for linebackers Charles "Bo"

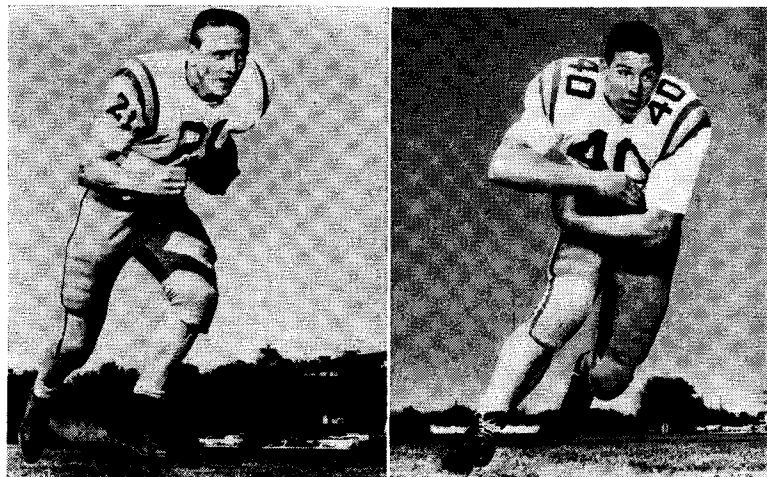

Strange (1960 team captain and most valuable player) and Donnie Daye, middle guard Ed McCreedy, ends Andy Bourgeois, Mickey Mangham and Gaynell Kinchen, and corner back Hart Bourque.

Returning to give defensive support are senior linemen, Roy Winston, a fast-moving 220-pound All-America candidate at guard, and 218-pound tackle Billy Booth.

More offensive punch is expected to be generated by a more experienced line, headed by Winston, Booth and tackle Bob Richards, and a fast and explosive backfield led by quarterbacks Lynn, Amedee and Jimmy Field, halfbacks Jerry Stovall and Wendell Harris, and fullbacks Charles Cranford and Earl Gros.

Amedee was the team's leader in total offense; Stovall was the leading rusher, pass receiver and punter; and Harris led the team in scoring.

If the Tigers can approximate last season's defensive record (best in the nation against scoring), and the sophomores of '60 retain their enthusiasm and continue to improve, the field goals that haunted LSU in defeat last fall, may not be the solution to beating the Bengals in '61.

YELLOW JACKET OUTLOOK

Georgia Tech should have one of the better teams in the Southeastern Conference this year as 26 lettermen return from the 1960 club which lost four SEC games by a total of just five points.

The Yellow Jackets have experience and depth at all positions and should be a rugged team for any one to handle in 1961.

Quarterback Stan Gann heads the list of returning starters along with halfbacks Chick Granning and Billy Williamson. Both Williamson and Granning are fine runners. Mike McNames and Lee Reid are returning at fullback.

A pair of sophs, Joe Chapman and Ted Davis, are very promising and tackle Russ Foret is an experienced SEC line hand. Left guard Rufus Guthrie is a fine performer at 227 pounds and should be up for All-SEC honors.

Dave Watson will probably start at right guard with senior Willie McGaughey opening at center.

BULLDOG OUTLOOK

Georgia expects to be a rugged team in 1961, improved on defense and improved in the line in all phases of play, largely due to having

more experienced linemen now than in 1960 . . . four regulars return from 1960 No. 1 line unit, six of seven return from 1960 No. 2 line unit!

The backfield is not likely to be nearly as dangerous as the 1960 crew. Graduation takes All-America T-QB Francis Tarkenton, All-SEC LHB Fred Brown (who led SEC in receiving) and All-SEC RHB Bobby Walden (who twice led SEC in punting). Only three experienced backs return: Bill Godfrey, regular FB in 1959 and 1960; Alt. Capt. Bill McKenny, RHB, and Wayne Taylor, No. 2 FB in 1960.

Soph Larry Rakestraw, 6-1, 190, is considered fine T-QB prospect and, when he catches on, the Bulldogs may once again be a dangerous passing team. Junior T-QB Jake Saye will be No. 1 punter and he is adequate. Bulldogs counting heavily again on great placekicker Durwood Pennington, senior specialist, who led team in scoring in 1959 and 1960.

TIGER OUTLOOK

Auburn is more experienced than last year, with depth at many positions, lacking in depth and experience only in the backfield.

The outlook is pleasing in the line. Lost are only two boys—Ken Rice and Joe Leichtnam—from the 1960 team and return many

sound football players.

Jimmy Burson, junior year left halfback, should be one of the best backs in the conference.

Don Machen, co-captain and starting right halfback, was injured in the spring and underwent surgery. It is doubtful he will be able to play next fall and this presents quite a problem.

Auburn had hoped to play sophomore George Rose on the second unit at right halfback but now will likely have to push him into the first group.

Bobby Hunt's return to sophomore form next fall as a senior would make a world of difference at quarterback. Mailon Kent, a sophomore looked very good in the spring and if he comes through it will help this vital spot.

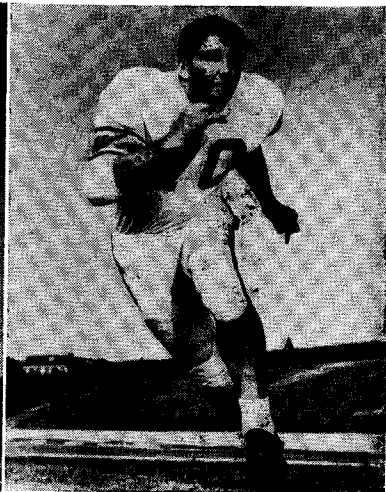

Co-Captain John McGeever at left halfback will help Burson, who averaged almost 50 minutes per game last year. In order to relieve McGeever of his offensive fullback load, sophs and an untested junior must come through.

Bill Burgess, redshirted last fall, Larry Rawson, up from the frosh team, and Junior Larry Laster of Covington, Ga., could also be a help.

In the line Auburn is pleased with the efforts shown by all tackles, Dave Edwards and Bobby Foret at end, Wayne Frazier, Jim Price and Don Irvin at center and many guards. Davis Brock, a sophomore guard, is sure to help.

HURRICANE OUTLOOK

Football fortunes of the University of Miami could be on the uprise this season—that is if a depth problem can be solved.

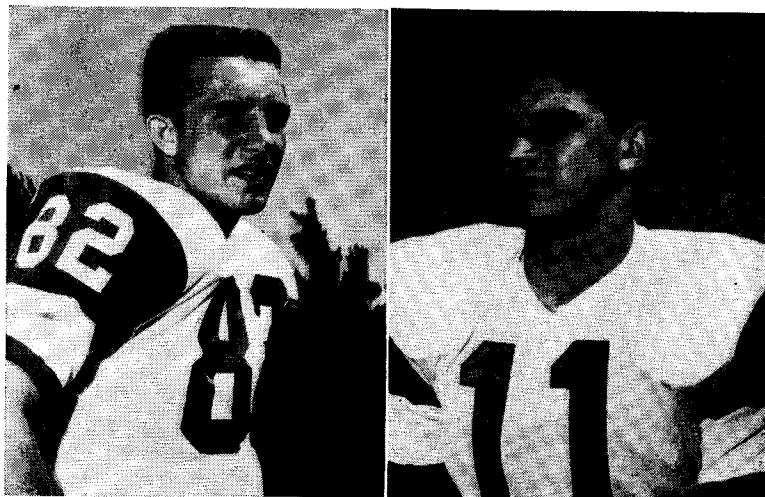

While a number of those athletes who brought the Hurricanes stunning triumphs over Notre Dame, North Carolina, Air Force Academy and others last fall return for another year of the pigskin sport, sophomore talent, being eyed for depth, could be the key to Miami's success. Sophomores—particularly in the interior line—must

come through to give Miami the kind of depth it will need to tackle the most powerful schedule in the 36-year history of the school.

Stars of the 1960 backfield—Eddie Johns, James Vollenweider, Nick Ryder and Ron Fritzsche—will be back. Two of them, Johns and Vollenweider, will be seen in new roles this fall. In spring drills, Johns was shifted from quarterback to left halfback, and Vollenweider from left half to full—and each performed at his new position as if he had been playing there all his life.

Passing is expected to move into the University of Miami football picture with more potency in 1961. There will be more emphasis on throwing the ball, because of the presence of two whizbang sophomore quarterbacks, George Nira, of Key West, Fla., and big John Bennett, from Clifton Heights, Pa. Not since the days of "Mighty Mouse" Jack Hackett (University of Miami's bowl era in 1950-51) have the Hurricanes had passers possessing aerial potentials of these two young quarterback whizkids.

Mira and Bennett—and even Johns passing from his left halfback position—will have an All-America end to throw to in Bill Miller (LOOK ALL- AMERICA 1960) as well as other gifted receivers, Larry Wilson, Ben Rizzo and Frank Reinhart, all ends.

1960 REVISITED

FLORIDA 30, GEORGE WASHINGTON 7

The Gators exploded for three TDs in the second period after a jittery first quarter to start on their way to their first win of the season.

Larry Libertore, the 138-pound quarterback, playing his first varsity game, proved he was for real, scoring one TD and passing to Bruce Starling for another. Libertore personally accounted for a net gain of 166 yards.

Senior halfback Doug Partin broke the game wide open with a 60-yard TD run in a contest which saw five Gators cross the goal line. Quarterback Bobby Dodd and fullback Don Goodman accounted for the other Gator scores.

FLORIDA 3, FLORIDA STATE 0

Billy Cash's 25 yard field goal in the second quarter pulled the Gators out of a hole dug by a surprising and determined FSU team.

Florida gained 262 yards on the ground against the Seminoles, but costly penalties kept the Gators away from touchdown territory.

FSU never seriously threatened, going inside the Gator 30 only once, but the dangerous threat of long passes from Seminole quarterbacks Ed Trancygier and Eddie Feeley kept the outcome in doubt until the final gun.

FLORIDA 18, GEORGIA TECH 17

An eight-point play in the final 33 seconds gave Florida its first SEC victory of the year and one of the biggest wins of the '60 season.

Taking a pitchout from quarterback Larry Libertore, halfback Lindy Infante squeezed over the goal from four yards out to out the Yellow jacket lead to 17-16. 39,000 limp fans held their breath while the Gators went for broke on a two-point conversion try. Libertore floated a pass into the arms of fullback Jon MacBeth for the two points and a Gator win.

The teams traded TDs in the first half and Tech held a 10-7 intermission lead on a field goal by Tommy Wells. Billy Cash toed the Gators into a tie with a 32-yard field goal in the third period, but Tech went ahead moments later on a TD and extra point.

Five minutes remained in the game when Florida started an 85-yard march to the final and decisive eight points.

RICE 10, FLORIDA 0

Rice took advantage of a surplus of Florida miscues and utilized a hardnosed defense to hand the Gators their first loss of the season.

The Owls held Florida's running game to 67 yards and checked quarterback Larry Libertore, who ended the game with minus 12 yards rushing. The Gators fared better in the air completing 8 of 17 passes for 111 yards, but managed to come no closer to a TD than the Rice 33-yard line.

The Owls scored on a 21-yard pass play in the first quarter and added a 25-yard field goal in the final period.

FLORIDA 12, VANDERBILT 0

Two second half TDs and a tight Gator defense gave Florida its second victory of the season over a Southeastern Conference opponent.

The first half was all defense as a relentless Gator rush led by ends Pat Patchen and Tommy Kelley, tackle Jim Beaver and guard Larry Travis contained the Vandy offense. Vanderbilt's fine line-backer Cody Binkly led the Commodore defense in holding Florida scoreless for two periods.

Halfback Bob Hoover gave the Gators their first score in the third period on a 15-yard slant off tackle. Don Deal crossed the goal line on a 6-yard pass from Larry Libertore in the final period and the Gators were 2-0 in SEC play.

FLORIDA 13, L. S. U. 10

A 66-yard TD run by Larry Libertore and two field goals and an extra point by Billy Cash accounted for the Gator scoring in Florida's first win over LSU in three years.

Before the 47,000 fans in Tiger Stadium had a chance to get settled in their seats Libertore broke away on the first play from scrimmage for 66 yards and a TD. Cash booted the extra point.

A 40-yard field goal by Wendell Harris, a one-yard TD by fullback Charlie Cranford and Harris' conversion put the Tigers ahead 10-7 at halftime.

Early in the second half Cash kicked good for three points from 47 yards away, the second longest college field goal of the season. A few minutes later he placed another through the uprights from 35 yards and the Gators were in, 13-10.

AUBURN 10, FLORIDA 7

Auburn's record-breaking field goal kicker, fullback Ed Dyas, added the Gators to his long list of field goal victims with a 31-yard three-pointer late in the third quarter.

Florida came within one tackle of pulling the game out in the final period as the Gators drove 45 yards to Auburn's 11 yard line. An alert defensive move by Tiger end Dave Edwards stopped the Gators' Larry Libertore on a touchdown-bid reverse play.

Auburn had taken an early lead, moving 67 yards for a TD in the first quarter. The Gators tied it up with a 67-yard march in the second period. Key plays in the drive were a 19-yard Larry Libertore to Pat Patchen pass and a 12-yard burst up the middle by fullback Don Goodman. Bob Hoover rammed over from the two for the score.

Then along came Mr. Field Goal, U. S. A. with his game-winning boot in the third quarter.

FLORIDA 22, GEORGIA 14

Florida turned its traditional battle with arch-rival Georgia into a near-rout in the first three quarters, jumping to a 22-0 lead, then hung on for life as the Bulldogs scored 14 in the final period.

The Gators had possession of the ball for all but two minutes of the first quarter and turned their ball control into two TDs. Fullback Don Goodman capped a 77-yard drive with a two-yard scoring thrust. Goodman personally accounted for 55 yards on 11 carries in the drive.

Guard Larry Travis recovered a fumble at the Georgia 28 on the ensuing kickoff and the Gators got touchdown number two 12 plays later with Goodman smashing over from the one.

Quarterback Bobby Dodd scored the final TD on a two-yard sneak in the third period.

The Bulldogs came to life in the final 15 minutes. All-SEC quarterback Francis Tarkenton scored one TD around end from four yards out and halfback Billy Jackson passed 26 yards to Bobby Walden for Georgia's second and final score.

FLORIDA 21, TULANE 6

Halfback Bob Hoover had his finest day as a Gator against the Green Wave. The 197-pound speedster pierced the Tulane defense for 93 yards in 12 carries, including a 40-yard touchdown.

Hoover opened the scoring, on his longest run of the season, in the first quarter after end Sam Holland recovered a fumble in Tulane territory.

Moments later Gator Captain Bill Hood intercepted Phil Nugent's pass at the Tulane 32. On the next play Bobby Dodd tossed a 32-yard scoring pass to halfback Bruce Starling.

The Gators capitalized on another break in the second quarter as Paul White recovered a fumble on the Greenie 19. Seven plays later Don Goodman bulled over from the one for Florida's final score. Tulane's TD came on a 64-yard pass interception by Adrian Colton in the second quarter.

FLORIDA 18, MIAMI 0

Over 60,000 fans witnessed as Florida won its eighth game of the year for the best Gator record since 1929. Florida's defense held Miami scoreless, the first shutout for the Hurricanes since 1958.

The Gators made their first break count in the opening quarter when end Nick Arfaras recovered a fumbled punt on the Miami 23. Five plays later Bobby Dodd sneaked over from the two. Billy Cash missed the conversion and the Gators led, 6-0.

In the second quarter Florida marched 60 yards for another TD, with 138-pound quarterback Larry Libertore adding insult to injury by bowling over two Miami defenders enroute to a nine-yard score. A two-point pass attempt failed.

The Gators tied up the season in a neat package in the third quarter with another long march. Fullback Don Goodman scored from the two.

GATOR BOWL

FLORIDA 13, BAYLOR 12

A record crowd of 50,112 fans plus millions of TV-watchers saw the Gators and Baylor's Bears in one of the most exciting of last year's post-season games.

A fired-up Florida defense held Baylor's heralded attack in check for three quarters while the Gators posted 13 points on the scoreboard, all in the second period.

Fullback Don Goodman rammed over from three yards out for the first score. Florida's hard-pressing line turned a Baylor pass attempt into the second TD as guard Larry Travis recovered a fumble in the Bear end zone. Billy Cash missed one extra point, but made good on the other, providing the final victory margin.

The frenzied fourth quarter saw sophomore quarterback Bobby Ply pass the Bears into three scoring opportunities. The first two resulted in TD's, one a 12-yard pass to Ronnie Goodwin, the second a three-yard off-tackle thrust by Ronnie Bull. Conversion attempts by Larry Corley and Ply were no good.

With seconds remaining to play, the Bears moved inside Florida's ten-yard line, but a dropped pass on the goal line ended the threat and gave Florida its second Gator Bowl championship and the first nine-win season in history.

FERGIE FERGUSON AWARD

The Forest K. (Fergie) Ferguson Award is given in memory of one of Florida's finest athletes, one of the great all-time ends to wear the uniform of the Fighting Gators. The Award is made annually in the form of a beautiful trophy, which remains in the permanent possession of the University of Florida, and is given to the football player selected as the Gators' most valuable senior each year. The winning player is announced at the annual spring banquet, and he is then invited to return to the campus to receive the award at the following Homecoming.

First to win the award was Malcolm Hammack, outstanding fullback on the 1954 eleven. Others were Center Steve DeLaTorre of the 1955 squad, and Larry Wesley, tackle on the 1956 team, Jim Rountree, 1957 halfback, Jimmy Dunn, 1958 quarterback, and Asa Cox, 1959 guard. This past spring the Florida team voted co-winners All-SEC Guard Vic Miranda and All-SEC End Pat Patchen. The presentation will be made at Homecoming, Oct. 28.

Idea for the Award was conceived by John Piombo, teammate and friend of Ferguson, and Dick Stratton, former Florida athlete and admirer of Ferguson. These two Jacksonville residents donated the original Ferguson trophy, which is displayed at all times in the Division of Intercollegiate Athletics trophy case.

About Fergie Ferguson

Fergie came to Florida in the fall of 1938 after having been a star end for the Stuart (Fla.) High School. He became a starting end for the Gators as a sophomore, and from that time wrote several records into the books. He caught 43 passes in the 1939-40-41 seasons, a career record that stands today. His record for the most yards gained on passes caught—668 for 3 seasons—still stands, and a record for the longest TD pass caught, 74 yards against Miami in 1941 remained on the books until 1954. Fergie was also a track and boxing star, and his javelin throw of 203 feet, 6½ inches won him a National AAU championship in 1942.

Fergie became a second lieutenant in the U. S. Army, and was severely wounded in the Normandy landing of 1944. He so distinguished himself that he was awarded the nation's second highest medal for gallantry in action. He died of war wounds ten years after the landing.

FLORIDA HOMECOMING

All year long the people of Florida talk about Homecoming at the University of Florida. Homecoming means two days of continuous activity, highlighted by the double-feature attractions—Friday night's Gator Growl and the Saturday afternoon football game. Both draw capacity crowds of 44,000.

The game this year is with a fellow member of the Southeastern Conference, Louisiana State, Oct. 28.

Among other outstanding events are a parade of giant proportions, banquets, swim shows, alumni reunions, fraternity and sorority doings, and a Legislative Barbecue.

Back in 1906 the students decided to stage a "Dad's Day." Homecoming was the natural outgrowth of "Dad's Day" and in late years it has

become almost traditional for each one to surpass the last one.

Gator Growl, an all-student variety extravaganza that draws a packed house to Florida Field Stadium on the eve of the football game, came into the picture back in 1924. About 7,000 Dads and Grads gathered in the old gymnasium the night before the game to drum up the necessary enthusiasm to help the Gators defeat Drake University the next day, 10 to 0.

From that spontaneous gathering in 1924 has grown what is very likely the largest, most colorful and noisiest pep rally on the college sports scene today. A student committee of Florida Blue Key works a year ahead to set the theme. Fraternities and sororities plan their parts months in advance and spend months preparing interior and exterior house decorations, parade floats and skits for Gator Growl. No admission is charged for Gator Growl or other sidelights.

Almost everyone who comes to a Florida Homecoming finds himself torn between more desires than a kid at Coney Island. There is something going on every minute and all too often, for the visitors, colorful events overlap to make the choices more than a little difficult.

Sports editors and writers assigned to cover the Florida-L. S. U. football game on Oct. 28 will be primarily interested in the football game, but those who want to be in on the unforgettable side-show attraction will be one of that huge, happy, fun-loving crowd of folks at Florida Field Stadium Friday night for Gator Growl, a brilliant evening's entertainment in anybody's book.

FLORIDA FIELD PRESS BOX

The Florida Field Press Box consists of four decks: Starting from the bottom and going to the top (by elevator) they are (1) Photo Darkroom and Western Union, (2) Radio and Photographers, (3) Press and (4) Photo. Here they are in detail:

PRESS DECK: There are 48 seats on the front row and 47 on the back row. Each reporter has 34 inches of desk space and an adjustable, swivel chair that is bolted to the floor. Every seat has perfect vision—there are no uprights between any seat and the field and people walking along the front row are below the vision of folks on the back row. There are no windows on the press deck. A public address system operated exclusively for the press box gives all official information, including statistics on individual plays.

RADIO DECK: There are five ample-sized, acoustically tiled radio booths with glass windows that may be opened or closed, depending upon the desire of each announcer. The front row of each radio booth will seat four people very comfortably and five in a slight pinch. The back row seats three and is adapted for engineering equipment. Each radio booth may receive the press box PA announcements via headphones. There are two other booths, one for visiting coaches and one for the stadium public address system. Flanking the radio booths are large open-front decks for use by still, movie or television photographers. There are toilet facilities on the radio deck.

PHOTOGRAPHY DECK: This is a large open-front area at the very top of the press box. It has ample table space both in front of the cameraman and behind him. This deck also includes the Florida coaches booth and the stadium manager's booth.

WESTERN UNION and PHOTO DARKROOM DECK: This is the first floor of the press box and the first elevator stop coming up from ground level. The entire Western Union operation is carried out in a large room that provides every needed facility for transmitting copy. Messages are sent by pneumatic chute from the press deck to the Western Union room. This, of course, eliminates the necessity of having bulky and noisy page printers in the actual working press section. (When you have a message ready for sending, you merely hold it over your head, yell "Copy Boy" and one swoops down on it.)

This deck also includes newly added photographic darkrooms for photographers who wish to process film at the stadium and telephoto room from which they may send pictures to the papers. While the places to do this work are a part of the press box, we are unable to furnish such equipment as enlargers, wire-photo sending sets, etc. Portable units must be brought by the cameramen.

Some of the nation's most colorful extravaganzas are staged in Florida Field, as the famed Gator Band struts onto the gridiron for pregame and halftime performances. The beauty of unfolding design, the thrill of precise drill, and the excitement of musical specialties all contribute to sustained audience interest.

The Drum with the Biggest Boom in Dixie

The Gator Band's giant bass drum is "The world's largest bass drum that will boom properly," according to its manufacturer. The drum is 6 feet in diameter and 25½ inches in width. This eye-catching instrument is a favorite back-drop for visiting celebrities who wish to be photographed with an object that establishes their presence on the campus.

The band personnel includes about 145 students—104 players in the "marching square" of the band; the All-Star Twirling Corps, the Gatorettes; the herald trumpets; flag bearers; bass drum crew; and a number of field assistants and alternates.

The beginning of a drill routine to the proud strains of "General Lee's Grand March."

"GATORS"

(From THE FLORIDA TIMES-UNION (Jacksonville), Thursday, August 19, 1948.)

"MILLER RECALLS CHRISTENING OF UF TEAMS AS 'ALLIGATORS'

"A Jacksonville lawyer 'christened' the University of Florida's football team 41 years ago when he gave a pennant-designing firm in Charlottesville, Va., the suggestion of 'The Alligators.'

"Austin Miller, who has practiced law here since shortly after his graduation from the University of Virginia in 1910, yesterday recalled the circumstances surrounding the choice of a name for Florida University's athletic teams. It happened in the fall of 1907, a year after the University at Gainesville had fielded its first team.

"Miller, a native of Gainesville, was enrolled in the University of Virginia at the time and was visited by his father, Phillip Miller, a Gainesville merchant. The elder Miller, who died nine years ago, then owned and operated a combination drug store and stationery store in Gainesville, a popular rendezvous for university students.

"While in Charlottesville the father decided to order some pennants and banners for the University of Florida from the Michie Company, which was engaged in the manufacture of such items. The Millers went to the firm, where they were shown samples of pennants which featured the Yale bulldog, the Princeton tiger and other school emblems. When the manager asked for Florida's emblem, the Millers realized the new school had none.

"Austin Miller said the name 'Alligators' occurred to him as a suitable emblem, both because the Michie manager said no other school had adopted it and because the alligator was native to this state. 'I had no idea it would stick, or even be popular with the student body,' Miller said. 'We wanted to get the Michie firm started on the pennants as quickly as possible, though, so they would be available in time for the opening of the 1908 school term.'

"The Michie manager complicated the 'christening' when he told young Miller he'd never seen an alligator and didn't believe he could design one. The law student volunteered to find a suitable picture of a 'gator. After much search, he said, he located a picture of one in the library of the University of Virginia.

"The first appearance of the alligator emblem, Miller recalled, was in his father's Gainesville store in 1908. The Michie firm had supplied 'Miller's' with blue banners measuring six by three feet, showing a large orange alligator, and also with several different types of smaller banners and pennants. Some of them showed the alligator lying down, some rampant, while others included only the alligator's head.

"With the first display of the new banners and pennants in Gainesville, the name 'Alligators' to describe the football team 'caught on' Miller recalled and, now contracted to 'Gator.'

GATOR FOOTBALL BOOSTERS, Inc.

Col. Everett M. Yon (U.S.A., Ret.), Director of Public Relations for the Athletic Association, is also director of Gator Football Boosters, Inc., an organization designed to promote University of Florida intercollegiate athletics through the alumni and friends of the University.

The Boosters handle such important duties as distributing films of Gator games, arranging public appearances and supplying ticket information to members of the organization.

Born in Blountstown, Fla., Col. Yon has devoted most of his life to University of Florida athletics. He was a first-string guard on the Gator football teams of 1914 and 1915 and a regular outfielder on the 1915 and 1916 baseball teams. He was captain-elect of the 1917 baseball team, but went into the Army.

In 1923-24, the Colonel was line coach at Florida under Gen. James A. Van Fleet. He served as director of athletics from 1926 through 1929.

Soon after the outbreak of World War II, he was promoted to Colonel and assumed command of the 25th Infantry at Fort Huachuca, Ariz. He accompanied this regiment to Guadalcanal early in 1944 and later saw action on Bougainville.

He commanded the 63rd Infantry of the Sixth Division during the invasion of the Philippine Islands.

Col. and Mrs. Yon are parents of two sons. The elder son, Ev., Jr., is now with the Army in Germany after graduating from West Point in 1957. The younger son, Frank, a 1959 graduate of the University of Florida, is also in the regular Army.
